# Mammoth Chair

## DESCRIPTION

The Mammoth Chair is a modern winged armchair, with a seat and back from the same compression mold. The specific technique used for cutting gives this chair its signature. Using a simplified production method, with a focus on creating a clean and minimalist chair, the Mammoth is iconic and comfortable.

## MATERIAL/TREATMENT

The Mammoth Chair is available in two versions, Slim and Fluffy. Both versions sit on a solid oak frame, with seat and back in laminated oak veneer. Slim is available in Premium Leather. Fluffy is upholstered and available in either washed canvas, wool, or vintage leather.

## DESIGNER
